SURABI SONA

The brand **SURABI SONA** has been established with a commitment to produce and market superior-quality household cleaning and utility products at affordable prices. With more than 20 years of experience in this field, we have built a strong reputation for reliability, durability, and trust.

We specialize in manufacturing a wide range of household essentials including:

- Premium brooms in different types (grass brooms, plastic brooms, etc.)
- Mops & brushes for effective cleaning
- Plastic utility products like buckets, mugs, baskets, and containers
- Household accessories like floor wipers, dustpans, and mats

Our extensive product line is designed to meet the cleaning and household needs of modern families, offices, and commercial spaces. Each item is crafted with attention to quality, durability, and user convenience.

Export & Distribution

Along with serving the domestic market through our wide distribution network, we also

cater to export markets with strong packaging standards to ensure products reach safely and efficiently.

Our Vision

To provide innovative, durable, and cost-effective household products that make everyday life easier while maintaining the highest levels of customer satisfaction.

Why SURABI SONA?

- Over 20 years of industry expertise
- Wide range of cleaning & household products
- Strong export capability
- Affordable prices without compromise on quality
- Trusted by homes, offices & businesses alike

At SURABI SONA, we believe in long-term partnerships with distributors, retailers, and customers, creating an environment of growth and mutual success.
